- a. LAFCO Application Process for Reorganization

- i) A presentation was given by Michael Ott, Executive Director and John Taylor, Local Government Consultant from LAFCO to review the application requirements and process for a potential reorganization with CSA-107.

Mr. Ott explained in detail the requirements to reorganize, which in his professional opinion was the best option for both government entities. He informed the board members that the fire district could initiate the reorganization on behalf of CSA-107 under Government Code 56375. If the district did submit an application apply under this section, LAFCO has full discretionary approval. He also reviewed the process should enough property owners protest to a reorganization that could trigger an election. He informed the board that LAFCO staff cannot complete the application, but they can

offer assistance. Because fire protection is a priority within LAFCO, the fee associated with this reorganization was reduced to zero. He noted that the expected timeframe should the district decide to move forward is four to six months and John Traylor would be assigned as the consultant to assist in the process. LAFCO representatives and district staff responded to questions from the board.

- ii) Chief Michel stated the second part of the discussion is to get direction or authorization to begin the application process. There are opportunities to withdraw the application, such as if the district is not successful in securing the necessary funding to reorganize.

MOTION BY DIRECTOR HILLGREN, SECOND BY DIRECTOR STINE, CARRIED 5 AYES; 0 NOES; 0 ABSENT; 0 ABSTAIN to authorize the Fire Chief to begin the LAFCO application process to reorganize with CSA-107, including the authority to execute all documents required.

b. Article XIIIB California Constitution Appropriation Limit

Ms. Rannals summarized the staff report provided. She recommended that the Board of Directors select the following formula to calculate the District's new appropriation limit for the 2014/2015 fiscal year:

Change in California per capital personal income (-.23%) for the Cost of Living Factor, and  
Change in population within the unincorporated area of San Diego County (1.23%).

MOTION BY DIRECTOR TANNER, SECOND BY DIRECTOR MALIN, CARRIED 5 AYES; 0 NOES; 0 ABSENT; 0 ABSTAIN to accept staff's recommendation for calculation of the District's appropriations limit.

c. Budget Authorization

Chief Gibbs summarized the staff report. He reported that the district has received grant money to purchase many of the P25 compliant radios, which the district has been replacing over the last ten years so that we can meet the federal communication standard. During the budget discussions between staff members, we have determined that the district will have excess revenue in the current fiscal year. Staff recommends completing the purchase this year, approximately \$44,000 and this allows the district to eliminate the \$125,000 reserve account for the project. Staff responded to questions from the board.

MOTION BY DIRECTOR MALIN, SECOND BY DIRECTOR STINE, CARRIED 5 AYES; 0 NOES; 0 ABSENT; 0 ABSTAIN to authorize the purchase of seven (7) VHF Mobile Radios - \$18,000.00, five (5) 700/800 MHz Mobile Radios - \$26,000.00, and eliminate the designated reserve account P-25 Compliant Radio (\$125,000).

d. Budget Authorization

Chief Michel summarized the staff report. Again, during the budget discussions between staff members, we have determined that the district will have excess revenue in the current fiscal year. Staff recommends the board authorize the expense to rewire and cable the classrooms to upgrade the audio visual at two of the District's location 4S Ranch (RSF2) and Rancho Cielo (RSF4). The upgrade would

include an update to the wiring, tele-video conference and audio-visual equipment, and internet capabilities. The cost is estimated to be \$19,000. Staff responded to questions from the board.

MOTION BY DIRECTOR MALIN, SECOND BY DIRECTOR HILLGREN, CARRIED 5 AYES; 0 NOES; 0 ABSENT; 0 ABSTAIN to authorize expenditure of \$19,000 to rewire and cable the classrooms to upgrade the audio visual at the 4S Ranch (RSF2) and Rancho Cielo (RSF4) locations.

e. Fixed Charge Special Assessment for Weed Abatement

Chief Michel summarized the staff report provided. He reported that this year, the majority of property owners who received notices willingly complied within the time allowed. This year, the district has three parcels that were non-compliant property owner(s) and to date have not reimbursed the district for the forced abatement fees.

The district's recourse to recover funds is to place a special assessment on the property tax bill. He requested that the board approve and authorize the administrative staff to deliver the *Weed Abatement Special Assessment* list of non-compliant parcels to the County of San Diego on or before the County's deadline of August 10, 2014 that include the following parcels:
