- a. Surplus of Equipment

Chief Michel reminded the board that we received grant funds for the purchase of a new printer/plotter/scanner. There are options to the District Options to dispose of equipment, which include:

- 1. County Auction – not recommended, County assesses an 80% service charge, staff does not believe this is viable
- 2. Online Auction – discouraged by legal counsel because of liability behind it
- 3. Sealed Public bid – not recommended extra staff time involved
- 4. Donation to another governmental or public agency

Staff recommends that the Board agree to donate the equipment to San Diego Mesa College GIS program, which provides training to fire service personnel in our zone, which does support the fire service overall.

MOTION BY DIRECTOR HILLGREN, SECOND BY DIRECTOR STINE, 5 AYES; 0 NOES; 0 ABSENT to approve the donation of surplus equipment (*printer/scanner/plotter*) to San Diego Mesa College and authorize the Fire Chief to execute all appropriate documents required for the donation.

- b. Ad hoc Committee

Chief Michel requested board representatives to serve on an ad hoc committee to update the strategic plan. He informed the board members that money was included in the FY14 budget to retain the services of a consultant. The District last updated the strategic plan in 2009, and to date, many of the objectives are complete.

He is seeking many stakeholders to participate in the process in addition to the board representatives, such as both bargaining groups (firefighter and administration), and other internal and external stakeholders. Staff responded to questions from the board. At the conclusion of the discussion, Directors' Stine and Tanner agreed to serve on the ad hoc committee.
